#### 6. PRESENTATIONS

##### 6.1 Joel Holland, 902 Athletics re Proposal for Membership Options

Joel Holland, owner and operator of 902 Athletics, made a presentation to the Board with regard to a proposed partnership between 902 Athletics and the Lunenburg County Lifestyle Centre (LCLC). At present, the proposal is to offer \$10.00 off his gym membership price to individuals that have a LCLC membership. ~~The same offer could be made to the members of the LCLC.~~ **In turn, LCLC could offer \$10.00 off their membership to individuals that have memberships at 902 Athletics.** (amended Nov. 15/18)

Mr. Holland outlined the size and layout of his facility, the programs offered (e.g. Crossfit for adults and kids, personal training sessions, B-fit boot camp, mental health, mobility, etc.) and the size of their membership. He emphasized that they are a community- oriented gym with coaching. He noted that his plan is to expand his facility in April and offer a full open-gym membership and a small space upstairs. He spoke to a partnership with the LCLC wherein his company and the LCLC would benefit. He does not have an aquatic centre and the LCLC does not have a gym. He noted that there is a path that goes from the back of his facility to the back door of the LCLC. If this area was fixed up so it would be a nice pathway between the two facilities, people may take advantage of the discounted membership. He noted that Crossfit is implementing more swimming and they want to do more events with the tri-athletics which would include using the LCLC pool.

A discussion was held with regard to a partnership, and it was noted that certain types of partnerships would need to go through a procurement process, however, a discounted membership would not.

It was noted that a lot of great ideas have been presented for partnerships, however, before any partnerships are built, public engagement sessions should undertaken to determine what the community wants for services. It was noted that one of the activities that has been brought forward a number of times from the public was a rock-climbing

wall. Mr. Holland noted that he was approached by an individual with regard to putting a rock-climbing wall in his facility.

Mr. Holland offered to give the Board of tour of his facility. It was agreed that Ms. Payne would contact Mr. Holland to make arrangements for Board members to have a tour of the 902 Athletics facility.

## **7. COMMITTEES re NEW STRUCTURE**

Mr. McLellan noted that with the changes to the Board, appointments need to be made to the Finance, Governance, HR and Fundraising committees. He explained that staff is recommending that, for the interim period, the Board take on these duties as part of the regular Board agenda.

**2018-48      Moved by Deputy Mayor Tanner, seconded by Councillor Hustvedt that the Board appoint the full complement of the Board to all interim committees; and, that the committee agendas be included in the regular monthly Board meeting agenda. Motion carried.**

**2018-49      Moved by Councillor Ernst, seconded by Mayor Mitchell that the signing officers for the Board remain the same, being Councillor Bill McInnis and Trudy Payne. Motion carried.**

## 8.2 Capital Item re Accessible Access – Automatic Door Opener

Ms. Payne advised that an application was submitted to the Provincial government for funding to make the LCLC more accessible (a ramp to the stage to make the stage accessible, automatic door openers on the doors going into the arena, etc.). She explained that there has been no indication when the funding will be approved. A number of requests have been received to have the doors going into the arena area made accessible for people in wheelchairs.

It was noted that the cost to set up one door with an automatic door opener would be between \$2,500 and \$5,000, depending on the door.

**2018-51 Moved by Councillor McInnis, seconded by Deputy Mayor Tanner that the Board authorize staff to proceed with the installation of an automatic door opener on one of the doors going into the arena as soon as possible. Motion carried.**

## 9. INFORMATION / UPDATES

### 9.1 Director of Recreation Services Update

Ms. Payne reviewed her Report dated October 25, 2018 (circulated with the agenda) which updated the Board on the management of the LCLC since the notification of the change in management structure, events held and booked, the accessibility grant application, the Canadian Tire Para Hockey Cup 2020, partnerships, memberships, and the items that she plans on addressing in the near future.

A discussion was held on the go forward plan.

Ms. Payne noted that she has been approached by the Town of Bridgewater to see if the District of Lunenburg would be interested in partnering on a float for the Christmas parade. The theme could be promoting the LCLC. An ad-hoc committee will be created and she will be asking for some representation from LCLC staff on the committee. It was noted that free swim and skating passes could be given out at the parade.

With regard to Christmas, it was asked if a real Christmas tree could be put up in the LCLC this year. It was noted that a sign could be put up advising that "This is a real Christmas Tree" so those that have allergies are aware.
